PETITION TO THE COURT

January 22, 2021

U.S. District Judge Alan Albright 800 Franklin Avenue, Room 301 Waco, Texas 76701

RE: Case 6:21-cv-00043

Honorable Albright:

We would like to petition the court to allow us some time to obtain legal co-counsel certified in Federal Court of the Western District of Texas. We have fired Paul Davis due to conflict of interest, irreconcilable differences, and his inability to represent us with the utmost high standard of ethics and professionalism. We have the utmost respect for your court and just ask that you give us time to install a new attorney.

Respectfully

B.G.
